Press Note

On review of the trend of filing frivolous and non-serious objections by candidates, against the questions and answer keys of objective type paper pursuant to recruitment examination (Screening /CBT) conducted by the Commission, which is running in to thousands and causing delay in processing recruitments, the Commission decided to include a condition in all the relevant notifications which applies to all the examinations to be held here after.

Accordingly the following addendum under para **Resolution of disputes related to question paper, answer key and other matters**, is here by issued.

“The candidate shall pay Rs.100/- per objection raised by him/her against question/Answer key with the stipulated time & procedure as above. In case of genuine objections, which are sustained in the final analysis the amount will be reimbursed to the candidate”.
