Training Needs Identification Test (TNIT) to all School Assistants(SAs)

All the District Educational Officers(DEOs) in the Andhra Pradesh State are informed that, the AP Govt. have decided to conduct online Training Needs Identification Test (TNIT) to all School Assistants(SAs) , of all subjects, of all managements, in the State.

Academic Standard wise Results Indicate the need Training for the Teachers

As per GO MS No.20, Education dated 28-03-2016, Common Summative Examinations for 6th to 10th Classes , to undertake common summative

examinations for all categories of schools in the state. During 2015-16, the Summative Assessment -III was commonly conducted for all Govt managed schools. The academic standard wise results indicate the need for ensuring appropriate training for the teachers to clarify gap areas so that they will be in a better position to support the students to achieve the expected levels of learning.

Training of 32401 Subject Teachers

Vide reference Minutes of the Meeting of the Project Approval Board (PAB) held on 22-4-2016, under the RMSA secondary education program in the Project Appraisal board meeting, Govt.of India approved the training of 32401 Subject Teachers in the State for the year 2016-17

Need for Improving Learning Outcomes

Vide reference Video Conference of Secretary, Literacy & School Education, MHRD, Govt. of India, the Govt. of India proposes to undertake the National Achievement Survey in census mode during 2016-17. In other words, instead of covering a sample of schools of different management, the survey will cover all schools and all students. The learning outcomes of students in AP Schools is far below the National average in English, Science and Modern Indian Languages subjects, as indicated in the National Achievement Survey (NAS) 2015 results and only marginally above national average in Mathematics & Social Sciences subjects. There is a need for improving learning outcomes in the state and addressing the overall gaps in ensuring quality of education.

Training of Private School Teachers

Vide reference Representation of APUSMA, dated:18/5/2015 request for training of Private School Teachers Request letter of Tribal Welfare Dept to Director, SCERT to training their Residential School Teachers School Education Dept. has been receiving requests from other departments and from the private schools management associations to extend the government teacher training to their teachers too.

In the above context it is proposed to conduct the Training Needs Identification Test (TNIT) during August and September 2016 to all School Assistants. The Objective of the TNIT is two fold

- i. to assess the Teachers' knowledge on subject content and methodology to identify difficult gap/areas requiring further support to the teacher.
- ii. to design and provide need based trainings to the teachers in those specific areas in respective subjects.

TNIT is proposed to be conducted on 20th and 21st of August, 2016

Based on the TNIT for specific subject teachers, Training modules will be designed and provided in cascade mode for different category of teachers working under different managements. The TNIT is proposed to be conducted on 20th & 21st of August, 2016 in all districts, except Krishna and Guntur. The dates for Krishna and Guntur districts after Krishna Pushakaras will be 10/09/2016 & 11/09/2016

Duration of the Online (TNIT) 2H 30 min

The duration of the online (Computer Based Test) TNIT will be 2 1/2 hours. The Question paper will be in bilingual — English I Telugu for all non-language subjects and for the languages Question papers will be in the concerned language only. The scores will be known immediately after the examination.

The Training Needs Identification Test (TNIT) will be conducted for 150 marks on

- i) Part:A General and
- ii)Part: B School subject and methodology areas to assess the content needs of the teachers in the State. General area for 50 Marks (33 1/3 %) and School subject and methodology 100 Marks (66 2/3 %).
