A University Committed to Excellence

GITAM UNIVERSITY

VISION

To become a global leader in higher education

MISSION

To impart futuristic and comprehensive higher education of global standards with a high sense of discipline and social relevance in a serene and invigorating environment

OBJECTIVES

To offer world-class undergraduate, postgraduate and doctoral programs of global relevance

To provide an enriching, stimulating and rewarding experience from the practical world

To promote and strengthen national and international linkages with the industry, academics and the society

To carry out Research & Development activities useful to the industry and the society

To develop a holistic personality with a positive and creative attitude among students and scholars

Unique features

- A top class University on par with the best in the country
- Highly qualified and committed faculty
- Adjunct faculty from industry
- Visiting faculty from reputed industry and academic institutions
- Group Personal Accident Insurance for Students
- Dedicated Training and Placement Centre
- Collaborations with universities and industry majors
- Near 100% placements with lucrative packages
- Alumni in prominent positions all over the world

Campus facilities

- Wi-fi campus with 1000 Mbps internet connectivity
- World class Data Centre
- Entrepreneur Development Cell
- On campus training to students
- Sophisticated language laboratory
- State-of-the-art infrastructure
- Separate hostel facilities for boys and girls
- World class sports facilities
- Highly active NCC, NSS units
- Most preferred institute for campus placements

GITAM Institute of Pharmacy, with its unique teaching, research and infrastructural standards to meet the dynamic needs of the global pharma standards, is one of the preferred centers of pharmacy education in India.

The Institute follows the cardinal principles of the Pharmacy Council of India in offering quality education maintaining the vision of the pharmaceutical professional associations to generate competent and committed pharmacists with high ethical values.

The role model pharmacy curriculum, designed in close academic collaboration with the global pharmaceutical manufacturing units, and the health care sectors, is fortified by integrating the core components of pharmacy practice and the dynamic needs of the present day pharmaceutical industry.

The industry-institute academic & research interaction, resulting in the establishment of a modern pilot plant, sophisticated Drug Testing Laboratory, Drug Information Center, provides hands on skills in allied areas to pharmacy and healthcare professionals. The facilities of in-house pre-clinical research on laboratory experimental animals as per CPCSEA further adds to the value in generating competent pharmacists for better healthcare.

Quality Policy

GITAM Institute of Pharmacy imparts quality education in the field of pharmaceutical sciences to generate competent, committed, disciplined human resources with high ethical values to meet the national and global challenges in the field of pharmaceutical care and industry.

GIP Advantage

- ★ Strategically located in Visakhapatnam, a hub of Pharma Industries.
- ★ MoU with Japan based Eisai Pharma
- ★ Pilot plant unit for manufacture of drugs
- ★ Drug Information Centre for effective health care
- ★ Dedicated Training & Placement Centre

Placements

The University has an exclusive Placement Cell that organises campus interviews. Several MNCs participate in campus placement activities and recruit a good number of students for lucrative jobs. A sizeable number get trained by the GITAM Entrepreneurship Development Cell.

Placement potential for GITAM Pharma graduates is all the more promising with international pharma companies developing their state-of-the-art units in Visakhapatnam Pharma City. The research labs of the pharma majors facilitate ample opportunities for institute-industry interface and research pursuits.
