www ManaQ.ns (1-5): Read the following passage carefully

www.Manabadi.co.in Father was quiet for long time. He thoughtfully looked at the sun for a moment, and then his eyes fell on the can of home-made wine that I was carrying. Wetting his lips with his tongue he said in a padi co in

matter- of- fact manner, "I am thirsty".

I gave him the can of wine. He poured himself a mug and handed me the can. He drank all of it. at one go. He then arranged the belt that was attached to the trunk carefully on his forehead. We were walking up a narrow hilly road, and neither of us uttered a word as if we were strangers who spoke different languages. I did not know what was going on in his mind. From time to time it crossed my mind that it was improper for me to let father carry the luggage. I wanted to tell him that I would like to carry the trunk myself, but my guilt and shame did not allow me to do so. This self consciousness had probably to do with my education, the white collar job that I had or quite simply my pride.
